| Profile |
| --- |

 My name is Kunal Gaurav Srivastava and I come from Dehradun. Being in the second semester of my post-graduation, I am eager to join the industry and implement the skills I have learned and developed over the years. I believe that it is very important to be able to convey information in a way which is clear, concise and also interesting for the listener. I am looking forward to gain as much of work experience as possible. Looking forward to all opportunities.
